YEY! YOU DID IT! ❄️

MAKE YOUR OWN PAPER SPINNER!

A calming and creative activity to enjoy this Easter!

MAKE
YOUR
OWN

Sometimes, a relaxing and crafty day is just what we need. These paper spinners are a great way to use up empty cereal boxes.

WHAT TO DO

1. Cut the front and back panels off of an empty cereal box. (Each panel will make one spinner!)
2. Using a glass as a template or a compass, draw six circles apx 10cm in diameter. You should be able to fit six circles on one side of a cereal box.
3. Cut each circle out carefully and then stick them all together. Stick six together for one spinner.
4. Leave until fully dry. Overnight is best. Try to put some weight on your spinner when it's drying. Putting a few books on top as a weight will help make a more solid spinner.
5. Once dry, find the centre of the spinner and make two holes, apx 10mm apart. Ask a parent/guardian for help with this bit as you need something sharp to make the holes. A skewer or knitting needle works great! We put our spinners on a chopping board before making the holes so we didn't damage any surfaces.
6. Colour your spinner any way you like. The more colour the better!
7. Cut a piece of string apx. one meter in length and thread through the holes in your spinner. Tie together.
8. Now the fun part. Holding each end of the string, move your hands in such a way that the string starts to twist. Once twisted, pull your hands out and then relax them in. Do this in a rhythmic motion to get the spin going.

WHAT YOU WILL NEED

- empty cereal box
- compass/glass
- scissors
- skewer/knitting needle
- glue
- string

BRAIN GAMES!

Can you find your way through the maze and get the carrot back to the bunny?

HOP INTO THE KITCHEN

Have some fun with food and put an Easter twist on some family favourites!

Easter doesn't have to just be a chocolate-fest. You can switch up some daily food staples and give them a bit Easter flair, just like with the porridge and sandwiches on this page.

Did you know?... Porridge is a great way to start the day. It releases energy slowly, so you'll be less likely to snack before lunch.

BUNNY-FIED PORRIDGE

YOU WILL NEED:

- Porridge oats
- Milk
- Apple slices
- Honey/chocolate sauce for decoration

1. Prepare your porridge as per the instructions on the packet. Serve into a bowl.
2. Carefully slice an apple to make the bunny ears. Ask a parent/guardian to help you if you need it. Dip in the porridge near the top of the bowl.
3. Using honey or chocolate sauce, draw on some eyes, nose and whiskers to create the bunny's face!
4. Devour and stay full of energy all the way 'till lunchtime!

EASTER SNACK BOARD

YOU WILL NEED:

- Bread
- Hard-boiled egg
- Grapes
- Cucumber, carrots and lettuce
- Chocolate sauce to decorate

1. Make your sandwich with your favourite filling. Cut the sandwich into a circle or use a cookie cutter. This will make the bunny's face. Use the leftover sandwich pieces to make the bunny's ears. Draw a face on with chocolate sauce.
2. Cut a carrot into circular slices. Cut one of the circles in half and put onto the hard-boiled egg to make ears. You may need to make a small slice in the top of the egg to 'sit' the carrot ears into. Add some eyes and a nose with the chocolate sauce.
3. Cut some cucumber slices and make mini stacks with some more of the carrot slices.
4. Add some grapes and lettuce to your board for yummy decoration!
5. This is a great way to get some of your 5-a-day and now that you've made one snack board, the opportunities are endless for what you might create next!

Did you know?... Snack boards are a great way to get the family together and give everyone a chance to enjoy their favourite foods, along with discovering something new.
